Election Day Is January 5

You're a mean one,
DAVID PERDUE.
You really are a heel.

You're as cuddly as a cactus.
You're as charming as an eel,
DAVID PERDUE!

You're a bad banana
with a greasy black peel!

David Perdue's Heart Is Two Sizes Too Small

Why is David Perdue **using his office and access to privileged information to make a fortune on the stock market?**

Why is David Perdue **voting against financial relief for Georgia families** during this unprecedented economic and health crisis?

Maybe his heart is two sizes too small.

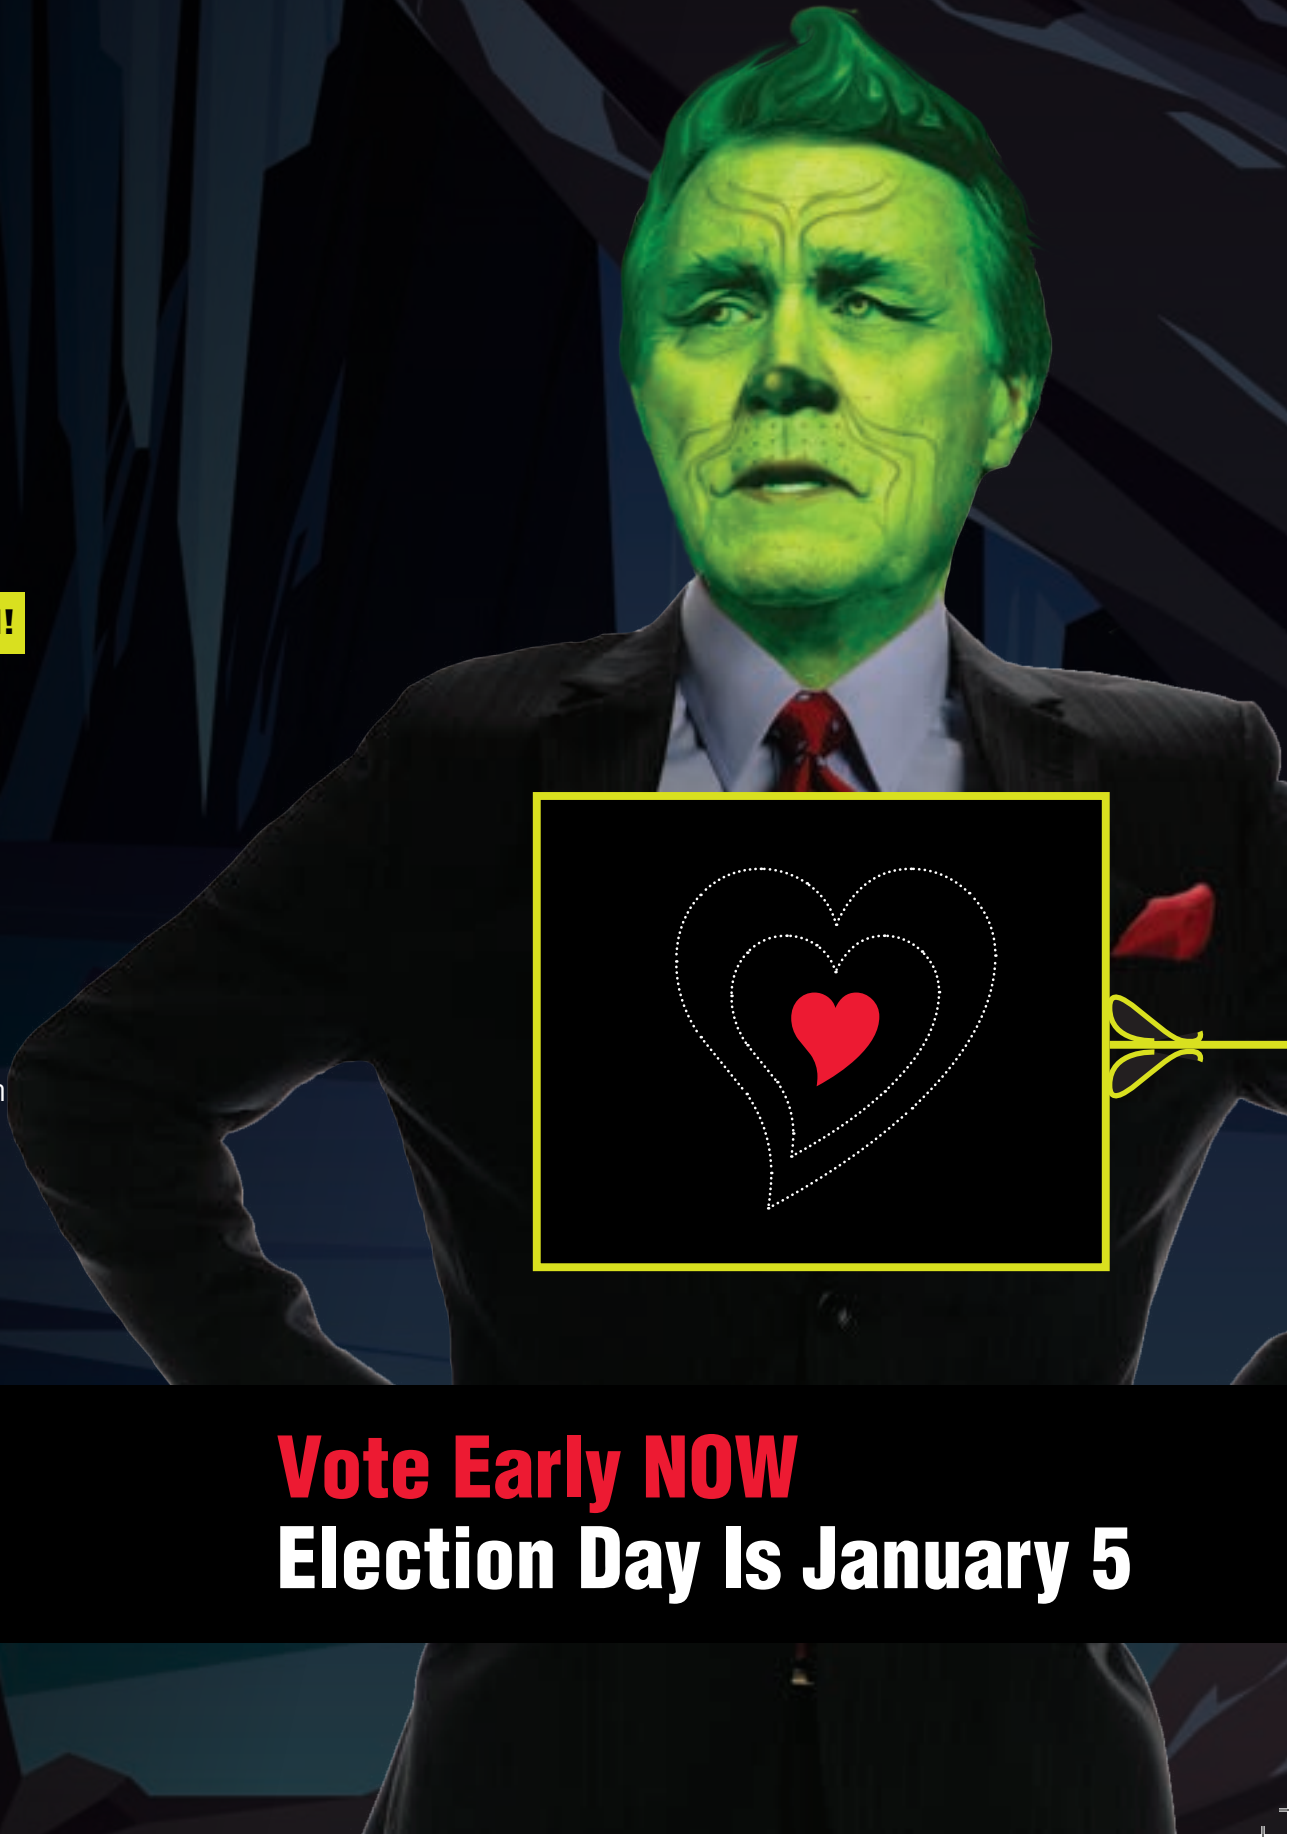

Oh, the CORRUPTION! The CORRUPTION! CORRUPTION! CORRUPTION!

Perdue **sold off up to \$825,000 in personal stocks** after a January 24 closed-door senate briefing on the coronavirus. And then, he turned around and **bought stock in a company that provides PPE the very same day.**¹

Perdue **bought stock in Pfizer** one week before they announced they would develop a coronavirus vaccine.²

He **raked in tens of thousands of dollars in profit by buying stock in a company that makes submarine parts**, and then helping to create legislation that directed Navy funding for one of that same company's products.³

He **bought thousands of dollars worth of stock in a bank that benefited from legislation** he helped pass.⁴
