IN HELPING PASS BRENDON'S LAW, ROZIA HENSON LEARNED WHEN THERE'S A WILL, **THERE'S A WAY**

Va. Lawmakers Pass Brendon's Law to Toughen Celebratory Gunfire Punishment

WTVR.com, 2/19/2014

We all deserve to feel safe in our neighborhoods. But when it comes to passing gun safety laws, out-of-touch politicians keep standing in the way.

But **Rozia Henson** knows keeping us safe from gun violence IS possible.

When Rozia was a legislative aide in the Virginia State Senate, he **helped bring together families, advocates, and lawmakers from both sides to pass Brendon's Law, which protects us from stray bullets.**

Rozia is the leader we need in Richmond to bring us together to:

Improve **gun safety**

Ensure we all have **homes we can afford**

Expand **mental health care and protect reproductive rights**

Reduce traffic by **expanding public transit options**
