Alderman **Timmy Knudsen** Is Focused on Chicago's Bottom Line

Timmy Knudsen is a corporate attorney who helped entrepreneurs grow their businesses, and he's bringing that approach to the City Council. As a **pragmatist who prioritizes fiscal stability**, he has gotten right to work to bolster city finances.

Ald. Knudsen helped negotiate and voted for a balanced, sensible city budget that funded critical services and made an advance pension payment — **all without a property tax increase**.

He also helped **block an increase in the Real Estate Transfer Tax** — because he knows homeowners shouldn't pay the price every time the city has revenue needs.

We can trust Timmy to always be a responsible steward of our tax dollars and ensure we are using our city resources efficiently and effectively.

- ✓ Safe streets
- ✓ Strong schools
- ✓ Vibrant communities
