“The power to clean the air our children
 breathe, to protect our water and wildlife, to
 support the Forest Preserves of Cook County...

IT'S IN OUR HANDS.”

– KATHY SCHILLO, CHICAGO

This November, We Have the **POWER** to Take Immediate Action to Protect Our Environment

We can take action to protect, restore, and expand the Forest Preserves of Cook County.

Voting for the Forest Preserves will protect and restore our natural areas, providing wildlife habitat for plants and animals—and so much more. Voting yes will **create good-paying jobs for adults** and **summer jobs that keep kids learning**, working, and involved.

We can do all this for a **minimal cost**. It will mean about a one quarter of one tenth percent property tax increase, or \$20 a year for the average homeowner in Cook County.

On Tuesday, Nov. 8, Vote YES

for the Forest Preserves of Cook County
Clean Air, Clean Water, and Wildlife Habitat
Protection One-Year Limiting Rate Increase

WHY WE'RE VOTING YES:

WAMUCII
NJOGU

CLEANER AIR.

“The Forest Preserves protect and restore forests and natural areas that make air cleaner to breathe in the Chicago area, reducing health complications like asthma.”

ELIZABETH
KOCHVAR

PROTECT OUR WATER.

“It will clean our water and provide vitally needed funding to protect land along our rivers, lakes, and streams that filters out toxic pollution running into them.”

MEGHAN
MCCARTHY

SAVE LOCAL WILDLIFE.

“It will restore and improve more than 30,000 acres of natural areas in the Forest Preserves of Cook County that provide wildlife habitat for plants and animals.”

Help us spread the word with our postcards!

VOTE YES
CLEAN AIR, CLEAN WATER & WILDLIFE

We have the power to do something about our environment!

On November 8, I'm voting YES for the Forest Preserves of Cook County.

Voting YES will protect and restore natural areas that reduce pollution, clean the air we breathe, and protect clean water and wildlife habitat.
