SERVICE OVER SELF: MARINE VETERAN JAKE AUCHINCLOSS

As a Marine Captain, **Jake Auchincloss** led combat troops in Afghanistan and reconnaissance teams in Panama. **These missions required smart thinking and immediate action**, especially in a crisis.

Because Trump is careless and dangerous, **we need Jake's decisive, action-oriented leadership** in Congress. Jake won't let Trump ignore the devastating effects of COVID-19 on working families.

Jake kept us safe when he served on the battlefield. After coming home, he became a leader in business and local government where he delivered results.

Now, as our country faces a public health and financial crisis, Jake is ready to serve and lead again.
