PRINCIPLES BEFORE POLITICS

Service. Bipartisanship. Results. That's Mikie Sherrill's Record.

Mikie Sherrill served our country in the Navy, flying Sea King Helicopters on missions throughout Europe and the Middle East. After returning home, she continued to serve—as a prosecutor, a mom of four, and as our Congresswoman.

In Congress, Mikie has fought to improve the lives of our brave men and women in uniform here at home, by:

- ✓ Starting the bipartisan **For Country Caucus** to advocate for servicemembers, veterans, and their families.
- ✓ Helping to pass the **Honoring Our PACT Act**, which expands benefits for veterans exposed to deadly burn pit toxins.
- ✓ Backed **funding for veterans'** job training, mental health care, and tax relief.

On November 8, Vote Mikie Sherrill for Congress
