Someone you know may need an abortion—and they deserve compassion and to get the care they need.

But **extreme politicians and Trump judges are taking away our reproductive freedom.** And here in Virginia, they want to **ban abortion without exceptions.**

Rozia Henson always stands up for our rights. As a leader of the Prince William Democrats, he organized a protest against the Supreme Court’s decision to overturn *Roe v. Wade*.

He is the leader we need to **defend our right to reproductive care.**
