Tawana Robinson Is Trying to Hide the Truth About Her Finances

Pay no attention
to my second
"home"
in Dolton!

We work hard to earn a living and pay our fair share to our community—so why doesn't Tawana Robinson?

Robinson says she lives in Chicago, but improperly claims a homeowner's tax exemption on a property she owns in Dolton.¹

What's worse, Robinson:

- ➔ **Reported NO income in 2022 and NO assets** worth more than \$10,000²
- ➔ **Actually collected OVER \$100,000 in income and owns TWO properties** worth more than \$10,000³

**She Must Think We Don't Have a Brain
Vote NO on Tawana Robinson**
