“THE CREEPER” JIM THOMAS DOESN'T WANT WOMEN TO MAKE THEIR OWN HEALTHCARE DECISIONS

Beware of “The Creeper” Jim Thomas.

His policy ideas threaten to take away our freedoms and invade our privacy.

Jim has **ignored the will of Ohio voters** and voted to restrict abortion. He supported Ohio's unpopular six-week abortion ban, which provided no exceptions—even in cases of rape and incest.¹

Despite widespread support for reproductive rights, Jim continued to pursue his creepy agenda and invade our privacy. He tried to **directly stop Ohio voters** from voting in support of abortion rights.²

WHAT WILL STOP JIM'S CREEPY OBSESSION WITH OUR PERSONAL FREEDOMS?

This November, we have the chance to elect leaders who listen to the will of Ohio voters and support reproductive rights.

IT'S TIME TO END THIS HORROR SAY “NO” TO JIM THOMAS
