

Families Belong Together—Especially When a Child Is Sick

Vote YES

to help Ronald
McDonald House
support *1,400 more*
families with sick
kids every year!

VOTE YES TO HELP FAMILIES STAY TOGETHER *When They Need Each Other Most*

When a child is sick, parents don't want to leave their side. Traveling back and forth from the hospital is an added burden that no one needs.

That's why every year, **Ronald McDonald House** provides support and a comforting place to stay for **5,000 families with sick kids at Children's Mercy Kansas City and other area hospitals**—but because the need is so great, *they have to turn families away.*

YOUR YES VOTE ON QUESTION 2 WILL:

-  Allow **Ronald McDonald House** to purchase Longfellow Park and **expand their facilities to serve 1,400 more families every year**
-  **NOT raise a penny in taxes**—this effort is privately funded
-  **Maintain 1.5 acres of greenspace** for the public to enjoy

Supported by:
Ronald McDonald House and
Children's Mercy Kansas City

Help Families with Sick Kids
Vote YES on Question 2
